

**REHABA, INC. TeslaMAX® TM-4a™ “Work in Progress”  
Electrical Stimulation Equipment Field Beta Test  
Patient Informed Consent Form**

I, the person signing this consent form below, acknowledge that I have been informed that the TeslaMax TM-4a Electrical Muscle Stimulation device available for use in the below named Healthcare Provider’s Clinic has not yet been cleared by the FDA for marketing in the United States of America. I have been informed that the TeslaMax TM-4a Electrical Muscle Stimulation device is a “Work in Progress” not yet granted an FDA 510k Certification of Safety and Effectiveness and, having been informed of such, I give my permission for the Healthcare Provider named below to use said non-cleared device on me or the person I am responsible for receiving treatment at this clinic as part of the Provider’s participation in a Field Beta Test of the TM-4a device.

I have been informed that there will be no charge for any treatments rendered with the “Work in Progress” TeslaMax TM-4a Electrical Muscle Stimulation device or for my use of said device, though I do understand that I may be charged for my use and/or treatments rendered by other equipment such as the TeslaMax TIER4 which has received an FDA 510k Certification.

I understand that I am only required to sign this “Informed Consent” form if I choose to allow the below named Healthcare Provider to treat me or the person I am responsible for with the “Work in Progress” TeslaMax TM-4a.

The TM-4a made available for my use and/or treatment is provided on loan by Rehaba, Inc., 38954 Proctor Blvd., #158, Sandy, OR 97055, telephone number 702-871-3200.

I agree that I have not been promised any type of guaranteed result, benefit or outcome resulting from my use of or treatment by said “Work in Progress” TeslaMax TM-4a device.

**Summary:** Patient agrees that the use of the loaned “**Work in Progress**” **FIELD BETA TEST** TeslaMax TM-4a unit is optional and not required and done at the patient’s own risk. Patient acknowledges that, unlike the TeslaMax TIER4 unit which is cleared by the FDA as safe and effective, the TeslaMax TM-4a unit is not yet cleared for marketing by the FDA and has not yet been found to be safe and effective.

**MY SIGNATURE BELOW SIGNIFIES THAT I HAVE READ, UNDERSTAND AND AGREE TO ALL OF THE TERMS REGARDING MY RECEIPT OF TREATMENTS BY THE TM-4a AS STATED ABOVE AND AGREE TO “HOLD HARMLESS” BOTH REHABA, INC. AND THE BELOW NAMED HEALTHCARE PROVIDER FOR MY PARTICIPATION IN THE FIELD BETA TEST OF SAID “WORK IN PROGRESS” TM-4a ELECTRICAL MUSCLE STIMULATION DEVICE:**
